Biography

STEVE BENTLEY

Chief Financial Officer

>>>

Steve Bentley is Chief Financial Officer for Bedrock, responsible for managing all aspects of the company's accounting and finance functions. Steve joined the team in 2013— during Bedrock's second year—as its first CFO. In recent years, Steve has managed and directed the growth of the accounting/finance teams from five to 25-plus team members in order to meet the demands of Bedrock's constant growth. He has also closed on hundreds of millions of dollars in debt and tens of millions in tax credit syndications. Steve brings more than 32 years of experience to this role. Prior to joining Bedrock, he served for 16

years as Chief Financial Officer and Principal of Burton-Katzman, a real estate development and property management firm.
