

## TUSHAR PANDIT

*Vice President of People*

>>>

Tushar Pandit serves as Bedrock's first Vice President of People. In this role, he oversees the strategic growth and development of Bedrock's workforce, which has grown from less than 100 team members to over 500 in the last five years. Tushar is committed to making Bedrock a career destination while focusing on attracting and retaining the best talent in today's marketplace.

Tushar leads organizational performance, total rewards, diversity and inclusion, talent management and leadership development. Joining Bedrock with nearly 20 years of human resource leadership experience, Tushar is frequently featured as a subject matter

expert at human resources events and conferences. Tushar earned his MBA from Ivey Business School and holds several certifications, including SHRM-SCP, GPHR, CHRL and CHRP.
