

# CHUCK WILSON

*Senior VP, Operations and Chief Security Officer*

Chuck Wilson serves as Bedrock's Chief Security Officer and Senior Vice President of Operations. Since its founding, Bedrock and its affiliates have invested and committed more than \$5.6 billion to acquiring and developing more than 100 properties, including new construction of ground up developments in downtown Detroit and Cleveland totaling more than 20 million square feet.

With more than 25 years of experience in Detroit law enforcement and private security, Chuck now oversees Bedrock's security functions and operations teams which include engineering and property services.

Chuck is also the Chief Security Officer responsible for the security operations across the Rock Family of Companies, ensuring a safe and secure working environment for more than 30,000 team members in Detroit, Cleveland and across the country. He also leads community partnership development with local law enforcement and other stakeholders.

Previously, Chuck was Vice President of Support Services with Greektown Casino & Hotel, where he oversaw operations including Security, Parking, Valet, Transportation as well as Risk, Safety and Environmental Services.

He served a distinguished 20-year career with the Detroit Police Department and retired as Commander and Chief of Staff for Chief James E. Craig. During this time, he was a direct liaison to the business community and fostered a working relationship between the police and surrounding businesses.

Chuck believes it's important to give back to the Detroit community he loves. He volunteers and supports Men Who Dare, Inc., the Police Athletic League (PAL) as well as many other youth development, senior citizen and crime prevention programs.

Chuck lives in Detroit with his family, where he was born and raised and is a self-proclaimed "sneakerhead" and die-hard Lions fan.
